AMERICO STRIPPING PADS

Dominator

extra aggressive stripping pad

Choose the Dominator for the heaviest duty stripping tasks. Extra heavy denier fiber, more abrasive grit and more open weave produce the ultimate stripping pad. Removes years of dirt and finish buildup. Faster removal of multiple layers saves time.

Recommended for use on machines up to 350 RPM.

HP500

heavy duty black stripping pad

Extra aggressive pad. Open weave design and a heavily coated abrasive surface make this pad excellent for removing burnished floor finishes.

Recommended for use on machines up to 350 RPM.

Black

stripping pad

Designed for wet stripping. Removes dirt and old finish buildup. Cleans down to the original surface.

Recommended for use on machines up to 350 RPM.

Brown

stripping pad

This pad has been designed for wet or dry stripping applications. Aggressively removes wax, dirt and finish leaving surface ready for refinishing.

Recommended for use on machines up to 350 RPM.

Standard Electric floor machine	Ultra High Speed Electric floor machine	Ultra High Speed Propane floor machine	Ultra High Speed Battery floor machine	Automatic Scrubber floor machine
---------------------------------------	--	---	---	--

100% of the synthetic (polyester) fiber used in Americo's floor, hand and utility pads comes from recycled materials.

Americo pads are available in all standard sizes...check our website for a complete listing.

AMERICO SCRUBBING and CLEANING PADS

Green scrub pad

For deep wet scrubbing or light stripping. This pad will aggressively remove dirt and scuff marks from heavily soiled floors.

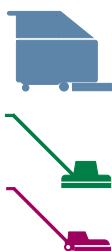

Recommended for use on machines up to 350 RPM.

Blue cleaner pad

This pad has been specially designed for light scrubbing or heavy duty spray cleaning. Aggressively removes dirt and scuff marks from heavily soiled floors prior to recoating.

Recommended for use on machines up to 350 RPM.

Auto Scrub/UHS Cleaning scrub pad

The open construction and resilient characteristics of this pad produce the highest results when used with automatic scrubbers or UHS machines. Cleans light dirt and scuff marks.

Recommended for use on machines up to 1500 RPM.

Flamingo Auto Scrub™ auto scrub pad

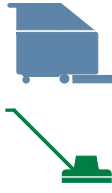

The perfect cleaning pad to use with auto scrubbers. Resilient open construction allows this pad to produce the ultimate performance when used with automatic scrubbers. Cleans light dirt and scuff marks, including black heel marks, and prepares floors for burnishing.

Recommended for use on machines up to 350 RPM.

AMERICO BUFFING and POLISHING PADS

Red buffing pad

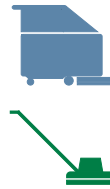

For light daily cleaning and spray buffing. Removes light scuff marks and dirt while producing a high gloss shine.

Recommended for use on machines up to 800 RPM.

Tan buffing pad

For polishing and light cleaning. Removes surface scuff marks and dirt while buffing floors.

Recommended for use on machines up to 800 RPM.

White super polishing pad

This extra fine pad has been designed for polishing clean, dry floors. Use dry or with a fine water mist to produce a high gloss wet look to newly finished floors.

Recommended for use on machines up to 1000 RPM

Americo pads are available in all standard sizes...check our website for a complete listing.

Americo Customer Service: 800.241.9902 • www.americomfg.com

Marble Care Pads

Crème Marble polishing pad

For polishing marble and stone floors. This pad is perfect for buffing hard floor surfaces without the risk of dye transfer from the pad to the floor.

Recommended for use on machines up to 800 RPM.

Gray Marble compound/conditioning pad

For use in cleaning and the crystallization process on marble or stone floors. It is infused with mineral and resin to give your floors the ultimate conditioning.

Recommended for use on machines up to 175 RPM.

Maroon Pads Thin Line 3/8"

Maroon conditioning/stripping pad

Americo's thin line Maroon Wood Floor Conditioning Pad has been specially designed to create a very fine cut pattern on cured urethane finish, especially water based urethanes, between coats. Also ideal for light stripping. This pad has been specially designed for use on Standard Electric floor machines, Automatic Scrubbers and the Clarke® Boost™ Orbital Scrubber.

Recommended for use on machines up to 350 RPM.

Maroon HD chemical free stripping

Strips floors with or without the use of harsh chemicals. Contains 20% more abrasives and cuts 30% faster than the Maroon Conditioning/Stripping pad. This pad has been specially designed for use on Standard Electric floor machines, Automatic Scrubbers and the Clarke® Boost™ Orbital Scrubber.

Recommended for use on machines up to 350 RPM.

AMERICO BURNISHING PADS (SYNTHETIC)

Impress

ultra high speed burnishing pad

This burnishing pad, with an ultra soft feel, allows you to burnish between coats of floor finish. Will create amazing shine without the 24 hour wait for curing. Ideal on finishes ranging from soft to hard.

Recommended for use on machines up to 3000 RPM.

Luster Lite

ultra high speed burnishing pad

The industry standard in synthetic burnishing. Specially designed for use on all floor finishes. Ideally suited for top dressing highly polished floors.

Recommended for use on machines up to 3000 RPM.

Image Beige

ultra high speed burnishing pad

For thermal buffing and burnishing. Produces a very high gloss finish. Recommended for use on soft to medium finishes. Use dry or with a spray buff solution.

Recommended for use on machines up to 3000 RPM.

Champagne

ultra high speed burnishing pad

This burnishing pad has a unique highly rubberized binder, creating amazing gloss in one pass. Recommended for soft to medium floor finishes.

Recommended for use on machines up to 3000 RPM.

Remover

ultra high speed burnishing pad

This pad has a special binder formulation that allows the pad to effectively remove black marks and restore gloss in one pass. Designed for soft to hard floor finishes.

Recommended for use on machines up to 3000 RPM.

AMERICO BURNISHING PADS (NATURAL FIBERS)

Combo

ultra high speed burnishing pad

Blended polyester and light natural fibers for an extra high gloss when buffing or burnishing with an ultra high speed machine. Recommended for use on soft to medium finishes. Use dry or with spray buff solution.

Recommended for use on machines up to 3000 RPM.

Porko Elite

ultra high speed burnishing pad

Blended natural fiber pad. Works on all UHS machines but is ideal for use with propane burnishers. For minimal burnishing on medium to hard finishes.

Recommended for use on machines up to 3000 RPM.

Porko Natural

ultra high speed burnishing pad

For thermal buffing and burnishing. Natural fibers produce "wet look" finish. For frequent minimal burnishing on hard finishes.

Recommended for use on machines up to 3000 RPM.

Porko Plus

ultra high speed burnishing pad

For ultimate UHS burnishing results. Natural fiber blend designed for use on hard finishes.

Recommended for use on machines up to 3000 RPM.

Porko Extreme

ultra high speed burnishing pad

This pad contains the highest amount of hog hair available from Americo. It is perfect for the new trend in higher solid and harder finishes, which require a more aggressive pad to achieve the desired appearance.

Recommended for use on machines up to 3000 RPM.

AMERICO DIAMOND PADS

Twister™ is a revolutionary cleaning system consisting of floor pads containing billions of microscopic diamonds which clean and polish the floor mechanically instead of using chemicals. Twister™ can be used on most common floor surfaces such as terrazzo, natural stone, concrete, vinyl and epoxy. Twister™ transforms dull, worn floors into clean, glossy and brightly polished floors.

Twister™ White 800 GRIT

Step 1 for the standard or intensive Twister™ method. Twister™ White removes tiny scratches from the surface and leaves a clean and well prepared silky matte surface for the subsequent Twister™ steps.

Twister™ Yellow 1500 GRIT

Step 2 for the standard or intensive Twister™ method. This stage leaves a surface that is well prepared for the final step of the Twister™ method.

Twister™ Green 3000 GRIT

Final step for the standard or intensive method and also for daily maintenance of the floor. This step will effectively maintain a high gloss on the surface when used regularly. Twister™ Green is ideal for use on most floor surfaces such as stone, vinyl and linoleum floors. It works well for high-speed polishing of smooth concrete, terrazzo and natural stone surfaces.

AMERICO SPECIALTY PADS and SAND SCREEN DISCS

Microfiber Burnishing ultra high speed burnishing pad

This ultra high speed burnishing pad has soft, fine fibers that will not damage the finish on uneven floors. The pads also reduce airborne dust and improve the indoor air quality.

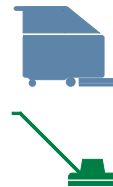

Recommended for use on machines up to 3000 RPM.

Microfiber Cleaning cleaner pad

Works great for use in daily cleaning. This pad will not damage the floor finish and will actually extend the finish life.

Pad may be used on a single disc or auto scrubber.

Recommended for use on machines up to 350 RPM.

Americo pads are available in all standard sizes...check our website for a complete listing.

Rectangular Pads for use with Clarke® Boost™ Orbital Scrubbers

- Blue Cleaner
- White Polish
- Red Buff
- Green Scrub
- Black Strip
- Maroon Conditioning/Stripping

CLEANER FLOORS... GREENER WORLD

100% of our Polyester Fiber Comes From Post Consumer and Industrial Recycled Waste

All of the synthetic (polyester) fiber used in our floor, hand and utility pads comes from recycled materials. Primary sources of these materials are recycled soda and water bottles.

Water Based Latex Resins

No phenol-formaldehyde resins are used in our binding process. We only use water-based latex resins.

Recycled Packaging

All of our shipping cartons contain at least 45% recycled materials.

New State-of-the-Art Equipment

We've installed new multi-million dollar state-of-the-art equipment, increasing our energy efficiency by more than 30%.

Waste Water Reduction

Our in-house water treatment facility has reduced our waste water flow by 83%.

Clean Air Permit

Our manufacturing plant is operating under an EPA approved Clean Air Permit.
